

**Delaware Alpha Delta Kappa
Alpha Delta Kappa Month Committee Report
2020-2022**

Due to restrictions opposed in Delaware by Governor Carney, we were not able to have our Founders' Day celebration in October 2020. However, the following October we were able to have a very successful event. Our Founders' Day Dinner and Auction was well-attended, and quite profitable for the Future Teacher Scholarship Fund.

Moving forward, I recommend that exceptional training be made for the Chair of Alpha Delta Kappa Month and that the committee work closely with the Fraternity Education Committee members to share several highlights of Alpha Delta Kappa and its four founding sisters in the months leading up to the October event. biennium.

It has been an honor to be part of the Delaware Alpha Delta Kappa Executive Board during the 2020-2022 biennium.

Respectfully submitted,
