

**Delaware Alpha Delta Kappa**  
**State Chaplain's Biennium Report**  
**2020-2022**

During the last biennium, I served as the Delaware State Chaplain. This is usually a chance to meet and have fellowship with other sisters from the state of Delaware. Unfortunately, due to COVID restrictions and personal issues, I was not able to support and reach out to others, which is a guiding principle of our organization.

The following are responsibilities of the chaplain, for future considerations:

- Prepare and present a "Thought for the Day" at meetings.
- Prepare Omega Memorial Service at state conference.
- Post cards and condolences at the direction of the president.

Nevertheless, it was a privilege to be listed as State Chaplain during the 2020-2022 biennium.

Respectfully submitted,

Sally Scarpitti

State Chaplain
