

# Delaware Alpha Delta Kappa

## Excellence in Education Committee's Biennial Report

2020-2022

The Excellence in Education Award recognizes active member educators for outstanding contributions in education at the state, regional and international levels of Alpha Delta Kappa.

At the state level, Delaware recognizes our state recipient with a plaque, flowers, and a \$150 check. In addition, she receives her lunch at the State Convention gratis. I am pleased to report that we have a recipient for this biennium. She will receive her recognition in person at our Friday night dinner and in absentia at the State Convention on Saturday.

Delaware's recipient will now be eligible for the Northeast Regional Award at this summer's conference which consists of a \$500 award from the Alpha Delta Kappa Foundation. All winners of the Alpha Delta Kappa Regional Conferences will be eligible for the honor of being selected to receive the highest recognition at the International Convention in 2023 which includes a monetary grant of \$5000 to use for educational purposes.

Delaware's Excellence in Education Committee Co-Chairmen express thanks to Kelly Delgado, International Scholarships and Grants Coordinator, and Laura Yeong-Sturges, Kaleidoscope, for all the help provided in making this selection process at the state level easy to complete. In addition, we thank the Delaware Committee members who agreed to serve.

Respectfully submitted,

Patricia McKeon, Co-Chair, Eta

Pamelia Kelly, Co-Chair, Epsilon

Jacqueline Wilson, Iota

Pamela Worrall, Gamma

Deborah Hearn, nonmember, Retired Educator
