

Delaware Alpha Delta Kappa

Report of the Immediate Past President Candidate Qualifications Committee Chair 2020-2022

It has been an honor and a privilege to serve and advise my Delaware Alpha Delta Kappa sisters during the 2020-2022 Biennium.

This biennium presented many challenges due to COVID-19; however, despite this unique circumstance I was able to:

- *Provide to the 2020-2022 Presidents my files from 2018-2020
- *Provide assistance and direction, as needed and requested, to members of the Executive Board
- *Attend State Executive Board meetings via ZOOM
- *Attend ZOOM meetings with other Immediate Past Presidents from the Northeast Region
- *Assist the 2020-2022 Presidents and the 2022-2024 President with the planning of our 2022 State Convention

As Candidate Qualification Chair it was my responsibility to oversee the process of selecting and screening candidates for the 2022-2024 State Executive Board.

Thank you for the opportunity to serve Alpha Delta Kappa in this past biennium.

Respectfully Submitted,

Jeanne Ciecko

Immediate Past President
