

# **Delaware Alpha Delta Kappa President's Biennium Report 2020-2022**

What a Biennium it has been!

To get the ball rolling for the Biennium, I moved to Florida. Then shortly before we were to meet for State Convention 2020, life as we knew it came to a screeching halt - enter the global pandemic, COVID 19! Quarantining and social distancing could not and did not stop the Delaware sisters of Alpha Delta Kappa. We continued to carry out our altruistic endeavors; reached out in new ways to ensure world understanding; and proved that Excellence in Education is a top priority.

This Biennium has seen our sisters grow in directions we never thought possible. We discovered technology is a valuable means of communicating and connecting. Hello, ZOOM! Meetings were held, just in a slightly different format. Major changes to our Delaware AΔK website kept sisters better informed. Altruistic activities were recreated and redesigned to ensure scholarships and organizations relying on our efforts remained funded. And Excellence in Education - what more needs to be said other than - Michele Davis, you ROCK! Michele, from Epsilon, was named the Northeast Region Excellence in Education Award winner, and then in July of 2021 she was named the INTERNATIONAL WINNER!

A big thank-you to all the Executive Board Officers and Committee Chairs and their members for your continued support and guidance through the past two years. So much heartfelt appreciation is extended to Jeanne Ciecko, 2018-2020 State President. Where would this Biennium have gone if not for your commitment to our success? No words can express our thanks to you. You have been a wonderful Immediate Past President 2020-2022.

To all Alpha Delta Kappa Delaware sisters in all of our chapters - Alpha, Gamma, Epsilon, Zeta, Eta, and Iota - thank you for ensuring our theme of Delivering Excellence in Altruism, Education and World Understanding ring true. SALUTE!

Respectfully Submitted,

Cyndi McDougall  
DE AΔK President 2020-2022

Nancy Burkett  
DE AΔK Co-President 2020-2022
