## **Recording Secretary's Biennial Report**

**2020 – 2022**

As Recording Secretary for Delaware Alpha Delta Kappa, I attended executive board meetings and prepared a written record of the proceedings. Minutes of each meeting were e-mailed to the State Co-presidents and members of the executive Board for review. Corrections were made and the corrected minutes were presented at the State Co-president's request for all subsequent executive board meetings. All minutes for the biennium, have been compiled into one volume, to be transferred to my successor.

It has been both an honor and a pleasure to serve Delaware Alpha Delta Kappa in the capacity of Recording Secretary this biennium.

Respectfully submitted,
