## **Report of the Sergeant-at-Arms 2020-2022**

*Due to restrictions opposed in Delaware by Governor Carney, and out of concern for the health and wellbeing of the sisters of Alpha Delta Kappa, our Executive Board did not meet in person during the 2020-2022 biennium.*

*Moving forward, I recommend that exceptional training be made for the office of Sergeant-at-Arms so that the duties will be executed proficiently as we begin to meet regularly in person during the 2022-2024 biennium.*

*It has been an honor to be part of the Delaware Alpha Delta Kappa Executive Board during the 2020-2022 biennium.*

*Respectfully submitted,*

*Ana Anderson*
