NE Regional Conference highlights

What a great time we had! In all, thirteen of DE sisters attended this year's NE Regional Conference held in Atlantic City, with two first-timers attending: Michele Davis and Lisa Caccamise both from Epsilon chapter. Michele Davis, as International Excellence in Education award winner presented the regional winner with her award which was LISA CACCAMISE! Lisa graciously accepted the award and spoke eloquently about her goals as an educator. Both ladies shine as DE sisters!

*Atlantic City Convention
Center has been the home of
Miss America pageants. We
had many laughs taking our
picture under the Miss
America “crown”. Poses for
days!*

"Any change, even a change for the better, is always accompanied by drawbacks and discomforts."—Arnold Bennett

One of my SMART goals for the state is to encourage use of technology as per one of International's directives. Each sister is offered the opportunity to create a Google email/drive to become more fluent in an important tool for communication and access to documents. Chapter presidents have been sent a video outlining steps to create and practice setting up a Google account.
