The following is an invitation to the Alzheimer's Association's "The Longest Day" Kickoff. This webinar kickoff is being designed especially for Alpha Delta Kappa sisters. It will highlight our support of the Alzheimer's Association during The Longest Day, how AΔK has raised funds in the past, and how we can raise awareness for Alzheimer's care, support, and research.

You can register today at shorturl.at/akRW9 or use the QR code.

The association would like to highlight who you shine your light for and your favorite memories of participating with your AΔK Sisters. Send pictures, videos, and your stories to globalteams@alz.org by March 3, 2023.
