

Delaware Alpha Delta Kappa  
State Chaplains Biennium Report  
2024-2026

During the last biennium, I served as the Delaware State Chaplain and Iota Chapter Chaplain. I have had the opportunity to work with many wonderful sisters from the State of Delaware as well as sisters from other State chapters.

Following are the responsibilities of the Chaplain:

- Prepare and present a “Thought for the Day” at chapter meetings, executive board meetings, Annual Conventions, Founder’s Day events, and at the request of the chapter president.
- Assist in the installation of new chapter officers and initiation of new chapter members and officers.
- Research and identify thoughts for the day that are reflective of the diversity of our organization.
- Utilize the International and National websites as well as other resources (books, greeting cards, bookmarks, quotes, music lyrics, websites and original thoughts) to fulfill the responsibilities of the Chaplain
- Perform other duties as described in the chapter bylaws or policies and procedures.

In addition to these duties, I have personally enjoyed preparing PowerPoint presentations for our meetings and events to help highlight our accomplishments and mission.
