

Delaware Alpha Delta Kappa
Excellence in Education Committee's Biennial Report
2024-2026

The Excellence in Education Award is designed to recognize members who are active educators (i.e., currently employed) for their outstanding contributions to education. This award increases visibility and promotes Alpha Delta Kappa (ADK) on the state/provincial/national (S/P/N), regional and International levels.

At the state level, International recognizes our state recipient with an award of \$500. The Regional winner is awarded \$1,000 and the International winner is awarded \$5,000. Unfortunately, this year Delaware Alpha Delta Kappa did not have any applications for this award and there were only two applications submitted for the region.

As I am planning to continue in my role as Chair of the EIE committee, I will encourage chapters to submit nominations of teachers who are actively teaching so that Delaware is represented for this award.

Respectfully submitted,

Patricia McKeon,
Delaware AAK Excellence in Education Chair
